Dear Sir:

Concentration of ownership of the media  
has already gone too far in this country.

Please do not go ahead with the proposed  
relaxation of the rules.

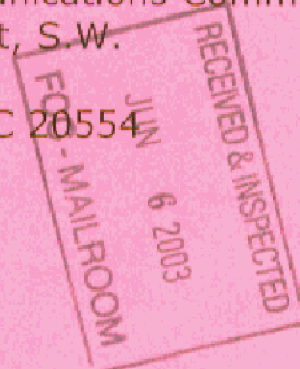

Sincerely,

SUNSHINE PERIOD

Dear FCC Chairman Powell,

I am writing to ask you to please protect freedom of speech and diversity of representation in our media! **Please do NOT weaken media consolidation rules** that make it possible for a range of voices to be heard across our nation.

While open competition is important to most industries, it is absolutely crucial in media, where monopolies weaken culture and society, and create censorship of ideas. Please do NOT allow further media consolidation!

Thank you very much. Sincerely,

Dear Mr. Powell:

I wish to register my personal wish that the FCC should remember that the airways are public - and the FCC is supposed to protect the public interests.

Communication companies already have too much say - so in what is made available. Any further concentration in the hands of the likes of Murdoch only profits the owners and shareholders - not the citizens as a whole.

It is your responsibility to represent us - the ones with no lobbyists and wealthy friends in Congress.

Please remember that (and not some sophistry about what's good for the mega companies is good for America) before it is too late.

Sincerely,  
Mary Louise Morrison
